Terms and notes

CorpFlowAI Ltd - commercial terms

- 1. **Validity.** This quotation is valid for 14 days from the quotation date.
- 2. **Scope.** Scope is limited to the item names and descriptions on this quotation. Anything not listed is excluded.
- 3. **Client responsibilities.** OrixHealth provides timely access to its Zoho environment, sample files/data required for configuration, and a named decision-maker for review and acceptance.
- 4. **Software costs.** No additional paid software licence is included or required at commencement. Any future paid third-party software is optional and requires separate client approval.
- 5. **Payment.** 50% (MUR 12,500) is payable on acceptance before work starts. The remaining 50% (MUR 12,500) is payable after successful acceptance testing and before production release.
- 6. **Warranty.** A 30-day defect warranty applies to the delivered agreed scope. Enhancements, new functionality and ongoing managed support are excluded unless separately agreed.
- 7. **Acceptance.** Work begins after written acceptance and cleared deposit. Production release remains subject to successful testing and approval.
- 8. **Contact.** Commercial documents: finance@corpflowai.com.
